The training you need
—the recognition you deserve

Whether you seek the training you need to become a BPM expert, or you're already there and want to be recognized for your mastery, BPMInstitute.org is the industry-recognized leader in BPM training and certification that help you achieve your professional goals.

BPMInstitute.org BAINstitute.org SOAInstitute.org

BPMInstitute.org BAINstitute.org SOAInstitute.org

BPM, SOA, and Business Architecture have become critical disciplines to maximize organizational performance. With this increased focus on process-related skills, the need for professional content, training, and certification is more critical than ever.

Get the knowledge you need, for you or your team, with BPMInstitute.org. We've been recognized by independent research firms as a leader in BPM training and certification.

This makes BPMInstitute.org the natural choice for practitioners of all skill levels to get the education they need to advance their professional goals.

Training on your terms

BPMInstitute.org delivers multiple methods of training, so individuals or groups can choose the one that's right for them. Get industry-leading curriculum at face-to-face events or via live, interactive online training. Or access recorded On-Demand training and other exclusive content on any mobile device—anytime, anywhere.

Certify your knowledge with a CBPMP

If you're already a BPM expert, make sure people know it. Become a Certified Business Process Management Professional (CBPMPSM) from one of the world's top BPM educational organizations. Our CBPMP is the latest way we support the world's leading BPM professionals. Examinations are held worldwide at all BPMInstitute.org events and Gartner BPM Summits. Learn more at BPMInstitute.org/certification.

Customized for your company

Empower your people with customized on-premise training and curriculum that supports your particular business objectives. Multiday custom courses support specific initiatives within your organization with a hands-on training approach that promotes adoption and integration of new architectures, methodologies, and best practices.

Pre-purchase your Certificate and save

Get the skills you need to become a BPM expert with a program that makes it more affordable than ever. The pre-purchase Certificate of Training program allows you lock in a big discount for any of our eight-course Learning Paths. You can take the courses in-person, live online, or 24x7 with on-demand classes. Upon completion, you receive a Certificate of Training to show you've achieved mastery of the subject matter.

Professional Membership

Serious BPM professionals need to stay on top and constantly develop their skills. As a Professional Member, you'll receive discounts on face-to-face instructor-led training, live online training, and other eLearning options. Take individual courses or sign up to complete your Certificate of Training based on our Learning Paths.

Corporate Membership

Are you looking to build knowledge for groups of people or an entire team? Joining as a Corporate Member gives you the flexibility to customize your BPM training in the most cost-effective way possible. Some of the world's largest private and public organizations use us to support training for employees—your company is probably a Corporate Sponsor already.

Is your company a Corporate Sponsor?
